Mated to Bernardini (A.P. Indy—Cara Rafaela), last service April 6, 2012. (Believed to be **PREGNANT**).

PEDIGREE ANALYSIS BY ALAN PORTER

A stakes winner and young grade one producer by Deputy Minister from a fabulous family, Pilfer will be an exceptional addition to any broodmare band, be it as a commercial prospect or a potential foundation mare.

Pilfer has already lived up to the rich heritage of her pedigree, as her second foal is **TO HONOR AND SERVE**, a multiple grade one winner who has been firmly among the forefront of his generation for three straight seasons, and is also a keenly sought-after stallion prospect.

As a two-year-old, To Honor and Serve quickly stamped himself as a runner of outstanding potential, capturing the Nashua Stakes (gr. II) and Remsen Stakes (gr. II) on his final two starts of the season. At three, To Honor and Serve decisively defeated **Ruler On Ice**—conqueror of classic heroes Animal Kingdom and Shackleford in the Belmont Stakes (gr. I)—to take the Pennsylvania Derby (gr. II), then accounted for older horses in the Cigar Mile (gr. I).

This year, To Honor and Serve opened his season with a 5¼ lengths victory over grade one winner **Boys At Tosconova** in the Westchester Stakes (G3). Third to Shackleford and Caleb's Posse in a notably deep renewal of the Metropolitan Handicap (gr. I), To Honor and Serve cemented his positive among the leaders of the older horse division in the \$750,000 Woodward Stakes (gr. I) at Saratoga. In a notably game display, To Honor and Serve turned back the formidable challenge of Mucho Macho Man, with the beaten field also including the Travers Stakes (gr. I) victor, **Stay Thirsty**, Rule and Trickmeister.

DEPUTY MINISTER, the sire of Pilfer, was Horse of the Year in Canada, and Champion Two-Year-Old in the U.S. and Canada. Twice Leading Sire, Deputy Minister has been represented by 90 stakes winners, including such champions as Awesome Again, Open Mind and Go For Wand. As a broodmare sire, Deputy Minister has been even more impressive, his daughters producing over 170 stakes winners, 58 graded stakes winners, and 17 grade one scorers amongst them two-time Horse of the Year **Curlin**, Champions **Rags to Riches** and **Halfbridled**, and classic winners **Jazil** and **Sarava**.

While Pilfer already has a grade one winner to her name, she herself is one of no less than three stakes winners produced by her **first dam**, the stakes winning Miswaki mare, Misty Hour.

Under Pilfer's **second dam**, Nijinsky II's daughter, Our Tina Maria—also dam of three stakes winners—we also find a record-breaking Champion.

Pilfer's **third dam**, the graded stakes winning **Java Moon**, is ancestress of numerous highly accomplished performers, among them grade one winners **Memories of Silver** and **Winter Memories**, and is daughter of the famed Darby Dan foundation mare, **Golden Trail** (Pilfer's **fourth dam**).

The remarkable impact made by Golden Trail was developed through matings with Java Moon's sire, Graustark, or with his brother, His Majesty. Indeed, it seems that when these strains were unified, an astonishing alchemy took place. The immediate consequences of the combination were seen in the shape of Java Moon, her stakes winning brother, Sylvan Place, and grade one heroine **Andover Way**, as well as stakes winners Bold Voyager, Regal Road, Killarney Road and Cobra Classic.

The long-term impact of the combination of Graustark or His Majesty with Golden Trail has been even more telling as mares by Graustark or His Majesty from the Golden Trail family appear in the female line of at least 69 stakes winners, 20 of them group or graded and 11 group or grade one.

In addition to those descending through Java Moon, they include Champions **Ryafan** and **Sunshine Forever**, Kentucky Derby (gr. I) victor **Monarchos**, as well as **Brian's Time** and **Dynaformer**. The success of Brian's Time, sire of five Champions in Japan, and Dynaformer—who has been represented by Champions and classic winners on three different continents—underlines the stallion producing potential of this female line, which also features two other stallions who have sired Eclipse Award winners.

Pilfer's subsequent matings suggest that further success as a broodmare might well be imminent. Her two-year-old colt by Street Sense realized \$500,000 at the Keeneland September Sale last year. She also is dam of a Bernardini filly—a sister to To Honor and Serve, who was foaled in March this year—and is offered in foal to Bernardini. We should note that she is believed to be currently carrying a colt, which as brother to To Honor and Serve, has considerable potential value, not only as a runner, but also as a stallion prospect.

Champion sire, **BRIAN'S TIME**

Champion sire, **DYNAFORMER**

“ The success of BRIAN'S TIME, sire of five Champions in Japan, and DYNAFORMER, who has been represented by champions and classic winners on three different continents, underlines the stallion producing potential of this female line.”
