MANTILLA

The 1st mare in the world
to be offered in foal to the great
REDOUTE'S CHOICE bred in the
Northern Hemisphere

Dear Breeder,

Brookdale is pleased to present MANTILLA, the first mare to ever be offered in foal to the legendary REDOUTE'S CHOICE bred in the Northern Hemisphere, at the Fasig-Tipton November Sale on Monday, November 4th in Lexington, Kentucky.

REDOUTE'S CHOICE's record as a stallion in Australia is without peer. Since being named Champion 1st year sire of Australia in 2004, his stud career has produced staggering results with more than 100 stakes winners, 23 group 1 winners, 12 three-year-old classic

winners, and progeny earnings of more than \$94 million. He has been named Champion Sire and Champion 2YO Sire of Australia multiple times. In the sales ring, his total yearling sales have exceeded \$300 million, fueled by 63 individual million-dollar yearlings. With statistics like these, there is little doubt why he is considered Danehill's #1 sire son.

REDOUTE'S CHOICE's accomplishments as a stallion in Australia were so impressive that they caught the eye of His Highness the Aga Khan, who arranged to shuttle him this year to his Haras de Bonneval in France for the stallion's first Northern Hemisphere breeding season. MANTILLA – by leading broodmare sire GONE WEST and out of a prolific stakes-producing Juddmonte family that traces back to the great “blue hen” mare BEST IN SHOW – was part of an outstanding book of blue-blooded mares approved to be bred to him.

I hope you will stop by the Brookdale consignment at Barn 1 at Fasig-Tipton to inspect MANTILLA. For Northern Hemisphere breeders, she represents a rare and unique opportunity to access the bloodlines of the great REDOUTE'S CHOICE, as well as a rich female family cultivated by one of the great breeders of the modern era – Juddmonte Farms.

Sincerely,

Joe Seitz, Brookdale Sales
