Pedigree Analysis

By Alan Porter
Pedigree Consultants, LLC

As a broodmare prospect, Angela Renee simply has it all. A grade one winner, she is by the most brilliant son of A.P. Indy, out of a multiple grade one producing mare, and from an historic tap-root family.

Angela Renee firmly established herself as one of the best of her division at two with a decisive victory in the Chandelier Stakes (gr. I) at Santa Anita. The Chandelier was this precocious filly's fourth start. On her debut she had taken a five furlong maiden at Belmont Park by 2½ lengths. Second to grade one winner Cavorting in the Adirondack Stakes (gr. I), with eventually juvenile champion Take Charge Brandi behind, Angela Renee prefaced her Chandelier Stakes triumph with a third in the Spinaway Stakes (gr. I).

At three, Angela Renee demonstrated that she had trained on at three, with a second to subsequent Kentucky Oaks (gr. I) heroine Lovely Maria, in the Ashland Stakes (gr. I) with grade one winner Peace and War among the beaten field.

Angela Renee is a daughter of A.P. Indy's brilliant son, Bernardini. A World Champion, an Eclipse Award winner, and a classic victor, Bernardini is now carving out a stud career to match his race-record. To date he is already sire of 39 stakes winners, 28 of them graded, and 13 Grade 1 winners.

One of the most talented of Bernardini's grade one stars is Angela Renee's full-brother, **To Honor and Serve**, who was among the leaders of his generation in all three years that he raced. As a two-year-old, To Honor and Serve quickly stamped himself as an outstanding prospect, capturing the Nashua Stakes (gr. II) and Remsen Stakes (gr. II) on his final two starts of the season, to earn a rating superior to all but champion Uncle Mo on the Experimental Free Handicap. At three, To Honor and Serve decisively defeated, Ruler On Ice – conqueror of classic heroes Animal Kingdom and Shackelford in the Belmont Stakes (gr. I) – to take the Pennsylvania Derby (gr. II), then accounted for older horses in the Cigar Mile (gr. I). To Honor and Serve continued to add his laurels at four, scoring by 5¼ lengths in the Westchester Stakes (gr. III), and defeating Breeders' Cup Classic (gr. I) victor, Mucho Macho Man, for the Woodward Stakes (gr. I).

Angela Renee's dam, the stakes winning Deputy Minister mare, Pilfer, has made a truly exceptional start to her career as a broodmare. **In addition to the grade one winning siblings Angela Renee and To Honor and Serve, she is also dam of a third grade one performer in Angela Renee's half-brother, Elnaawi.** Winner this year of the Na-

tive Dancer Stakes, Elnaawi is also multiple graded stakes placed, including when taking third in the most recent renewal of the Donn Handicap (gr. I). Pilfer's remarkable record looks set to improve still further as she is also dam of a two-year-old colt and a yearling filly by Bernardini, and has been **bred to Tapit for her 2016 foal.**

While Pilfer already has three graded stakes winners to her name, she herself is also one of three stakes winners produced by her dam, the stakes winning and graded stakes placed Miswaki mare, Misty Hour. Under Pilfer's second dam, Nijinsky II's daughter, Our Tina Maria – also dam of three stakes winners – we find a **record-breaking Champion who earned over \$2,000,000.**

Pilfer's fourth dam, the graded stakes winning Java Moon, is ancestress of numerous highly accomplished performers, among them **grade one winners Memories of Silver and Winter Memories**, and is daughter of the famed Darby Dan foundation mare, **Golden Trail**. The remarkable impact made by Golden Trail was developed almost exclusively through matings with Java Moon's sire, Graustark, or with his brother, His Majesty. The immediate consequences of the combination were seen in the shape of Java Moon, her stakes winning brother Sylvan Place, and grade one heroine Andover Way, as well as stakes winners Bold Voyager, Regal Road, Killarney Road, and Cobra Classic.

In addition to those descending through Java Moon, other stakes winners from the family of Golden Trail include Champions Ryafan. Air Shakur and Sunshine Forever, Kentucky Derby (gr. I) victor Monarchos, Travers Stakes (gr. I) scorer V. E. Day, and **outstanding sires Brian's Time and Dynaformer**. The success of Brian's Time – sire of five Champions in Japan – and Dynaformer – who has been represented by Champions and classic winners on three different continents – underlines **the stallion producing potential of this female line**, which also features two other stallions who have sired Eclipse Award winners.

Angela Renee's race-record and pedigree give her the potential to produce almost any kind of horse, anywhere in the world. Fast enough to score over five furlongs at two, she could carry her speed, and is a grade one winner and grade one placed at 8½ furlongs. Her sire, Bernardini, has grade one winners on both dirt and turf, and is sire of group or graded winners on three continents. Angela Renee's second and third dams are by international influences Miswaki and Nijinsky II, and **she comes from a female line that has produced top-class runners and influential sires throughout the world.** ■

“Pilfer's remarkable record looks set to improve still further as she is also dam of a two-year-old colt and a yearling filly by Bernardini, and has been bred to Tapit for her 2016 foal.”

POTENTIAL MATINGS

By Alan Porter, Pedigree Consultants, LLC

As a broodmare prospect, **Angela Renee has the potential to cross with many of the world's leading sires.** She is a winner from five to 8½ furlongs. Her sire, Bernardini has already been represented by graded stakes winners in three continents, and has grade one winners on both dirt and turf; her second and third dams are by the extremely influential sires, Miswaki and Nijinsky II; and **she stems from a female line that has had a worldwide impact.**

NORTH AMERICA

War Front gives a mating that would have appeal in both North America and Europe. He has crossed extremely well with A.P. Indy line mares, siring with six stakes winners, including graded winner Diamond Bachelor, whose dam is a product of an A.P. Indy/Deputy Minister cross, as is Angela Renee. War Front also gives inbreeding to Fappiano through Rubiano and Quiet American (Rubiano being inbred to Rough'n Tumble, the sire of Dr. Fager, through a son and a daughter and Quiet American inbred to Dr. Fager, and to the family of Fappiano). War Front does already have two stakes winners with Fappiano inbreeding, one a millionaire. The offspring of the War Front/A.P. Indy cross have proved to be very surface versatile, winning stakes events on dirt, turf and all-weather surfaces, with millionaire Departed achieving graded stakes victories on both dirt and turf.

Empire Maker, who returns to stand in the U.S. from Japan for 2016, would be a very logical choice here. He has sired seven stakes horses out of A.P. Indy line mares, three of them graded stakes winners, including the three-time Eclipse Award winning champion Royal Delta. As with War Front, the mating gives inbreeding to Fappiano through Unbridled and Quiet American. We can also note grade one winner Emollient, by Empire Maker out of a mare bred on a reverse Deputy Minister/A.P. Indy cross to this mare. Using Empire Maker's Triple Crown winning grandson, American Pharoah or American Pharoah's sire, Pioneerof the Nile, might also be considered. Pioneerof the Nile is already sire of a stakes winner from a mare by Jump Start (by A.P. Indy going back to a sister to Miswaki, where this mare is by a son of A.P. Indy going back to a mare by Miswaki). In addition, Pioneerof the Nile also has a stakes winner out of a mare bred on a Deputy Minister/A.P. Indy cross (reversed in Angela Renee).

Two other proven sires that would appeal are **Speightstown** and **Tiznow**. Speightstown has crossed well with A.P. Indy line mares, getting four stakes winners. He is also exceptional with Deputy Minister, the sire of the dam of the mare. In addition, Speightstown is a Mr. Prospector/Storm Bird cross, where the granddam of the mare is a Mr. Prospector/Nijinsky II cross, with Nijinsky II being similarly-bred Storm Bird cross.

Tiznow, who is out of a Seattle Slew mare, is good back over A.P. Indy, and has seven stakes winners, four graded, including grade one winner Morning Line, on the cross. He is also sire of graded

stakes winner Norumbega, whose dam is bred on similar lines to Bernardini (by A.P. Indy, out of a three-quarters relative to the granddam of Bernardini) and of stakes winner Tiz Windy, whose dam is an A.P. Indy/Fappiano cross, like Bernardini.

EUROPE

In Europe, Angela Renee has sound credentials to be considered with **Galileo**. The opportunity for the Sadler's Wells/A.P. Indy cross has been limited, but it has produced six stakes winners, three graded, and one grade one. There is another intriguing aspect to this cross in that both Galileo, and Pilfer, the dam of Angela Renee, are Northern Dancer/Miswaki crosses. We can note that Galileo has sired two graded stakes winners out of mares giving inbreeding to Miswaki, one out of a mare bred on a Northern Dancer/Miswaki cross. This would also suggest Galileo's magnificent son, Frankel. He is out of a mare by Danehill, a horse who also appears as broodmare sire of Bernardini's grade one winner Ruud Awakening.

Historically, Seeking the Gold and A.P. Indy have generally combined well, and they appear together in at least 50 stakes winners, 18 of them graded. This includes a stakes winner by Seeking the Gold out of a mare bred on an A.P. Indy/Deputy Minister cross, similar to that found in Angela Renee. In Europe, this would invite considering Seeking the Gold's leading male line representative, the outstanding sire, **Dubawi**, the sire of a stakes winner from only two starters out of mares by A.P. Indy. Dubawi's sire, Dubai Millennium is bred on a Mr. Prospector/Northern Dancer cross, and this is reversed in Angela Renee's dam, Pilfer. Dubawi has thrived with mares giving a duplication of Mr. Prospector, as here, with this factor appearing in 20 of his stakes winners, 15 of them graded, and seven grade one.

With 26 stakes winners, 15 graded, to represent him in 2015 alone, **Shamardal** has placed himself firmly among the European stallion elite. Shamardal is a son of Giant's Causeway, and the Giant's Causeway/A.P. Indy cross has produced 12 stakes winners, seven graded, including a graded stakes winner by Shamardal out of a mare bred on a similar A.P. Indy/Northern Dancer cross to Angela Renee. We'll also note that Shamardal is a Storm Cat line stallion and that Angela Renee's granddam produced two Storm Cat line stakes winners, one - a graded winner in the U.S. - and one in Europe.

JAPAN

Opportunities for Japan's seminal sire, **Deep Impact** – a son of Sunday Silence – with mares from the A.P. Indy line have been distinctly limited, although he does have four stakes winners with A.P. Indy's sire, Seattle Slew, in the pedigree, two grade one. We can note, however, that the cross of Sunday Silence line stallions with A.P. Indy mares has produced five stakes winners, four of them graded. This includes, the graded stakes winning and multiple grade one placed Curren Mirotic, who is out of a mare bred on an A.P. Indy/Northern Dancer cross, and who is by Sunday Silence's excellent son, Heart's Cry, the sire of six stakes horses, and three stakes winners, from only 17 starters out of Seattle Slew line mares. It would also be possibly to consider Sunday Silence grandson, the Japan Triple Crown winner, **Orfevre.** ■

Past

Angela Renee hails from an historic tap-root family.

Her dam, Pilfer, has already produced **THREE** Grade 1 performers, including Grade 1 winning siblings Angela Renee and To Honor And Serve.

Pilfer herself is also one of three stakes winners produced by her dam, the stakes winning and graded stakes placed Miswaki mare, **Misty Hour**.

Under Pilfer's second dam, Nijinsky II's daughter, Our Tina Maria – also dam of three stakes winners – we find a **record-breaking Champion who earned over \$2,000,000**.

Pilfer's fourth dam, the graded stakes winning **Java Moon**, is ancestress of numerous highly accomplished performers, among them **grade one winners Memories of Silver and Winter Memories**, and is daughter of ...

... the famed Darby Dan foundation mare, **Golden Trail**.

A female family that also includes outstanding sires **Brian's Time** (top) and **Dynaformer** (bottom) underscores the tremendous stallion producing potential of Angela Renee.

Present

In addition to the recent success of her remarkable full-brother **TO HONOR AND SERVE**, Angela Renee's full-sister just sold for **\$1,500,000**, making her the highest-priced yearling filly sold in North America in 2015!

She will be raced by Zayat Stables and the Triple Crown winning connections of American Pharoah.
