

## GOMO

Gomo is a grade one winning two-year-old who is by the hottest young sire on the planet.

Gomo firmly established herself as one of the best juvenile fillies of her crop with a 2¾ lengths victory over a field that included graded winners Dothraki Queen and Just Wicked in the Alcibiades Stakes (gr. I). Gomo also took second to Pretty N Cool in the Sorrento Stakes (gr. II), and third in the Del Mar Juvenile Fillies Turf.

Gomo is the most accomplished daughter of the stallion phenom Uncle Mo. The Champion Two-Year-Old of his crop, Uncle Mo has made a simply astonishing start to his stud career. From his first crop – three-year-olds of 2016 – Uncle Mo has sired 29 stakes horses and a world-record breaking 19 individual stakes winners. In addition to Gomo, they include Champion Two-Year-Old Nyquist, only the second horse to win the Breeders' Cup Juvenile (gr. I) and Kentucky Derby (gr. I), Wood Memorial Stakes (gr. I) winner Outwork, and graded scorers Mokat, Laoban, Lost Raven, Mo Tom, Auntie Joy, Uncle Vinny, Front Pocket Money, and Unbridled Mo.

Gomo's dam, Gentle Audrey, a winner at two and three, was beaten only 1½ lengths in the Oak Leaf Stakes (gr. I). She is also dam of a two-year-old filly by City Zip and is currently carrying an Uncle Mo foal that will be a brother or sister to Gomo. The second dam, Fatat Alarab, is a winning half-sister to the dam of Mrs. Kipling, a stakes winner in Europe and successful in the Senorita Stakes (gr. III) in the U.S.

Fatat Alarab is out of Alydar's Kentucky Oaks (gr. I) placed daughter Quinpool, a daughter of the three-time graded stakes winning and grade one placed Squan Song, and a half-sister to the dams of graded stakes winner Omega Code – a son of Elusive Quality, and so closely related to the dam of Gomo – of Japanese grade one winner Symboli Indy, and of stakes winners Verso a Verso and Tempest Fugit.

Grade one winner Gomo comes from an outcross sire-line. On the dam's side, her foals will be free of Northern Dancer at five generations, and Mr. Prospector and Seattle Slew at four generations.
