LOVE THE CHASE

Love The Chase is a truly unique offering. The dam of California Chrome – officially rated the leading racehorse in the world as of September 15, 2016 – Love The Chase is offered carrying a Tapit foal that is a three-quarters brother or sister to California Chrome.

A Champion Three-Year-Old and Horse of the Year, California Chrome has compiled a body of work that places him among the great racehorses of recent times. The highest earning Thoroughbred ever to race in North America, his triumphs include the Dubai World Cup (gr. I) – taking 1.26 seconds off the track-record – the Kentucky Derby (gr. I), Preakness Stakes (gr. I), Santa Anita Derby (gr. I), Hollywood Derby (gr. I), Pacific Classic (gr. I) and Awesome Again Stakes (gr. I). He is also the first Kentucky Derby (gr. I) winner in more than 40 years to capture a stakes over a distance as short as 5½ furlongs, and the first Kentucky Derby (gr. I) winner since Secretariat to subsequently capture a grade one on the turf.

Love The Chase is by the beautifully-bred Not For Love – by Mr. Prospector out of Northern Dancer's grade one winning daughter Dance Number – and owns a remarkable pedigree, as her dam is by Dance Number's three-quarters brother Polish Numbers. This gives a 3x3 inbreeding to Champion Numbered Account. In turn, Numbered Account has the three-quarters sisters Busanda and Striking – both granddaughters of the great foundation mare La Troienne – 2x3 in her pedigree.

Through Numbered Account and her own female line, Love The Chase also has multiple strains of another great family. Numbered Account's dam is by Swaps, like California Chrome, a wonderful chestnut Kentucky Derby winning champion trained on the West Coast. Both Swaps and Love The Chase trace to the famed American foundation mare Uncle's Lassie, dam of the Kentucky Derby winner Clyde Van Dusen, and also ancestress of Kentucky Derby winners Iron Liege, Swaps and California Chrome, as well as Champion Two-Year-Old Filly Althea, and major international sires Arch and Green Desert (a very close relative to the dam of Love The Chase). Love The Chase goes back to a three-quarters sister to the dam of Swaps, and her immediate family has produced Champion Cascapedia, grade one winner Exotic Wood, 2016 grade one winner The Conglomerate, and Champion Big Jag.
