## **PRESSURIZING**

Horse of the Year and three-time Champion Older Mare, Zenyatta's place in the history books is firmly-established. Pressurizing offers the chance to buy a young mare who is not only a half-sister to that legendary performer, but also to another multiple grade one winning millionaire, and to two mares who are dams of graded stakes winners.

One of the all-time greats of American racing, Zenyatta compiled an extraordinary record that saw her go undefeated through the first 19 of her 20 career starts. Eighteen of those 20 races came in graded stakes events, 14 of them grade one, including the Breeders' Cup Classic (gr. I) and Breeders Cup Ladies Classic (gr. I).

To produce a runner such as Zenyatta would be sufficient for most mares, but Vertigineux, the dam of Zenyatta and Pressurizing, produced another exceptional runner in Balance, a millionaire who captured four graded stakes, including the Santa Anita Oaks (gr. I), Santa Margarita Invitational Stakes (gr. I), and Las Virgenes Stakes (gr. I). Vertigineux is also dam of the Treasure Trail, who produced the group winning and grade one placed Long Island Sound, and of the black-type winning Where's Bailey, herself dam of the two-time Yellow Ribbon Handicap (gr. II) scorer She's Not Here. In addition Vertigineux is also dam of Eblouissante, a winning daughter of Bernardini, and has a year younger sister to Pressurizing, who realized \$1,500,000 as a weanling, giving considerable potential for the continued development of this remarkable family.

Pressurizing is also by a champion in the shape of Henrythenavigator, a four-time group one winning son of Kingmambo, who completed the English 2,000 Guineas (gr.I) and Irish 2,000 Guineas (gr. I) double. Leading Freshman Sire in England and Ireland, Henrythenavigator is sire of the Breeders' Cup Juvenile Turf (gr. I) scorer George Vancouver and of other group one winners Sudirman and Pedro The Great.

Pressurizing is dam of a yearling colt by Leading Sire Kitten's Joy, who is bred on the cross of Kitten's Joy with Kingmambo line mares that has produced multiple grade

one winner Divisidero, graded stakes winner Kitten's Point, and stakes winners Kitten On the Run and Kitten's Lady. This is also a version of the broader Sadler's Wells/Kingmambo cross that has produced such as Epsom Derby (gr. I) winners Camelot and Ruler of The World. She also has a filly foal by Speightstown and is bred to the same horse. This gives a very similar cross to Speightstown's Breeders' Cup Dirt Mile (gr. I) hero Tamarkuz, who is also out of a mare by a son of Kingmambo.
