SKYE DIAMONDS

A multiple graded stakes winner who has won seven of her last nine stakes starts, Skye Diamonds has emerged as a leading candidate for the Breeders' Cup Filly and Mare Sprint (gr. I).

Skye Diamonds's remarkable strike-rate actually stretches back to the spring of her three-year-old career in 2016. Since then, in 10 starts at a mile or less, she has won eight times. She began her 2017 campaign winning allowance contests at Santa Anita, the second of which she took by 5¾ lengths in a swift 1:08.91.

Her first stakes start of the year came in the Dream of Summer Stakes, which she took while accounting for stakes winners Roo's Valentine, Sheer Pleasure, and Cuddle Alert. Skye Diamonds added a graded stakes with her 2½ lengths triumph in the Great Lady M Stakes (gr. II), which she took by 2½ lengths while running the 6½ furlongs in a scorching 1:14.79 – just 0.31 off the track-record – while defeating Eclipse Award winning Champion Sprint Filly or Mare Finest City, grade one winner Constellation, and grade two winner Pretty N Cool. On her latest start, Skye Diamonds again defeated Constellation to take the Rancho Bernardino Handicap (gr. III).

Skye Diamonds is from the first crop of A.P. Indy's First Dude, a grade one winning millionaire, the Leading Freshman Sire in Florida, and sire of five stakes winners, including graded winners Skye Diamonds and Sticksstately Dude, stakes winning and grade one placed Flora Dora, and juvenile stakes winners Dude Fantasy and Shamrock Rose.

Skye Diamonds is out of Exonerated, a three-time winning daughter of Johannesburg, Champion Two-Year-Old Colt in Europe and North America. Exonerated also has a two-year-old filly by Storm Cat's very successful Californian
