### **MADAM DANCEALOT**

A group winner in England at two, and a graded stakes winner in the U.S. at three, Madam Dancealot was beaten inches in a grade one on her most recent outing. As well as being a very accomplished runner, she comes from an outstanding European family.

A precocious two-year-old, Madam Dancealot ran subsequently multiple group two winning colt Mehmas to  $\frac{3}{4}$  length on her racecourse debut. After capturing her maiden, she gained a black-type win taking the Dick Poole Fillies' Stakes (gr. III) by  $1\frac{1}{4}$  lengths from group winner Mystic Dawn, graded stakes winner Grizzel, and Simmie.

In the U.S., Madam Dancealot defeated a field that included the previously undefeated multiple graded stakes winner Sircat Sally and stakes winners Lull, Kenda, and Storm the Hill to capture the San Clemente Handicap (gr. II).

On her most recent start, Madam Dancealot finished fast to miss by just a nose and a neck in the Del Mar Oaks (gr. I), beating Con Te Partiro – a stakes winner at Saratoga and Royal Ascot – and stakes winners Storm the Hill and Kenda.

Madam Dancealot is by the brilliant two-year-old sprinter Sir Prancealot, the Champion Freshman Sire in Great Britain and Ireland for 2016. Sir Prancealot is a son of group one winner Tamayuz, a close relative to the great mare Urban Sea, heroine of the Prix de l'Arc de Triomphe (gr. I) and dam of both Galileo and Sea The Stars. This opens some intriguing possibilities for matings that would duplicate this famous family.

Madam Dancealot's dam, Sisal, is a winning daughter of the breed-shaping Danehill, out of Ship's Twine, a half-sister to two-time group winning and group one placed Alderbrook; to group winner Restructure; to stakes winning and graded stakes placed Royal Strand; and to Native Twine, a stakes winner in Europe and the U.S., and dam of group winner Tahreeb.
