Labeling X-rays

ALL X-RAYS MUST BE IN DICOM FORMAT ONLY

REQUIRED VIEWS

AAEP Minimum Required Views

To accommodate viewing-sort order, all hips must be submitted with the anatomical/view information. You may have to contact your equipment representative to arrange this formatting.

LABELING

It is important to label your study as accurately and completely as possible so that Keystone Asteris can recognize them.

OVERLAYS

Please export your studies **WITH burnt in overlays on images**. Our DICOM viewing software has the option to toggle the most relevant tags on/off when viewing. In addition, there is a button to view all tags. When submitting a set of x-rays, please be sure to complete the **Accession Number/DICOM Tag Requirements and a combination of the SALE CODE and the HIP NUMBER in a 4-digit format**.

THE PATIENT I.D. IS A COMBINATION OF THE SALE CODE AND THE HIP NUMBER. PLEASE SEE THE CHART BELOW FOR SPECIFIC SALE CODES.

Patient ID:

The November Sale Hip 44 = FTK2611-0044

M= First letter of the state in which the sale is held

YY = Last two digits of the sale year

MM = Month of the sale

XXXX = Full hip number including leading zeros

REPORTS AND DOCUMENTS

ALL REPORTS AND DOCUMENTS MUST BE SUBMITTED **INDIVIDUALLY** AND IN **PDF FORMAT ONLY!**

These documents should be submitted along with x-rays when possible, and at least four (4) days prior to the start of the sale.

Please take your time submitting documents to Asteris. It is important to make sure documents are placed in the correct place. If Asteris will not allow you to submit a document, it is very likely that there is already one submitted.

X-RAY REPORTS

All x-rays submitted to the repository must be accompanied by a veterinarian's x-ray report. The **Veterinary Report of Radiographic Findings (X-ray Report)** must disclose the attending veterinarian's ownership interest in the subject horse, if any. Once reviewed by Fasig-Tipton, the x-ray report will be electronically stamped with a date and time. It will then be available in the client portal. [This report is not available for review in the Repository.](#)

SCOPE REPORTS

We strongly encourage submitting a scope report, but it is not required unless the report discloses a problem.

MEDICATION SHEETS

We encourage consignors to fill out Medication Sheets on any racing prospects.

SALE DAY MEDICATIONS

All NSAIDs or Corticosteroids administered after 6:00pm the day before a sales session must be submitted in writing to the Repository.

BREEDING SOUNDNESS EXAMS

Breeding Soundness Exams do not get submitted to the Repository.

ANY MEDICAL DOCUMENT THAT IS NOT HANDED IN BEFORE SALE DAY WILL BE ANNOUNCED FROM THE SALES RING.

ENDOSCOPIC VIDEOS

ENDOSCOPIC VIDEOS ARE NOT REQUIRED, BUT THEY ARE STRONGLY ENCOURAGED.

The videos must be performed no earlier than 10 days from the day of sale.

Please clearly type, write or show the horse I.D. and the date the video was taken at the beginning of the video. Using the catalogue page or stall card works great. Please make sure the video is clear. If we can't identify these things on the video, we will be contacting you for a document to ensure the horse is identified correctly. **We do not use the microchip number to identify the horse.**

Supported file types: *.asf, *.avi, *.mov, *.mp4, *.mpeg, *.mpg, *.wmv

Recommended file size: There is a 100MB limit to video file size. For ease of viewing, it is recommended that file sizes be kept within reason.

SUBMITTING X-RAYS & DOCUMENTS

The following link should be used to access Asteris Keystone Community which is a free application and your portal for submitting images to the Fasig Tipton Repository. Click on or copy and paste the entire link into an internet browser on the workstation that you wish to use:

<https://keystone.asteris.com/community/63d3db3f-0400-8229-2206-ffffff200427>

If you have registered with us previously, simply type in your username and password to proceed. If you have not registered to submit x-rays with Fasig-Tipton, you will need to complete a one-time registration to create your Keystone Community account. After you have an account, you can access Keystone Community by going to www.asteris.com.

If you want to transfer studies directly from your modalities, simply install the DICOM service. [Link to the user guide](#). This may require assistance from your modality vendor if you're not familiar with entering the DICOM Send information on your own.

For instructions on how to utilize the Community program, after you Log In – please proceed to the upper right-hand corner of Community. By clicking on the “?” next to your Username – that will take you directly to the User Guide for how to help you through the process.

Please feel free to contact Asteris for any technical support or assistance needed. Asteris can be contacted directly at (877) 727-8374 ext. 402 or by e-mail at support@asteris.com
